

Introducing the PSC

# FINGER SAVER

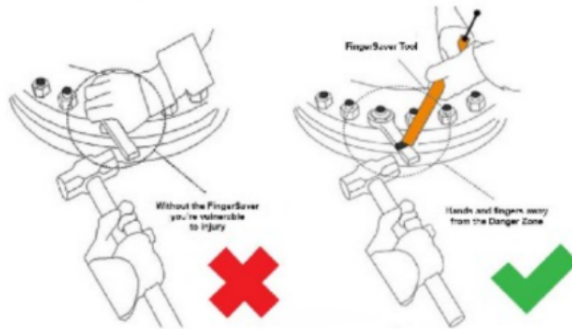

Safety For Your Fingers

"No one protects your hand like we do"

We are India distributors for the most exhaustive range of products that helps minimize/eliminate hand injuries in the workplace. Our focus is on Offshore and Onshore drilling rigs and oil & gas industry where a huge amount of lifts are performed. It's a very challenging environment due to rig movements, confined areas, wind effects, etc. Unlike other safety suppliers, our efforts are focused on improving hand safety at the workplace.

## How It Works?

### PSC Fingersaver Compact

At only 295mm long, the newest model in the range offers a fantastic solution when working in easy access environments where more control is needed for use with punches and chisels.

Length : 295mm  
Colour : Orange  
Weight : 164g

### PSC Fingersaver Standard

The best seller out of the 3 in the Fingersaver product range. This Fingersaver is the ideal purchase for keeping hands away from danger during use with items such as a flogging spanner.

Length : 350mm  
Colour : Orange  
Weight : 200g

### PSC Fingersaver Long

The long Fingersaver is the perfect solution for keeping hands and fingers well away from potential danger zones when either working alone or most commonly, with a colleague.

Length : 850mm  
Colour : Orange  
Weight : 650g
